# MAX Single USB Charger

Smartphones, Music Players Tablet and other 5V devices

## SP 21A

FASTER CHARGING

**1x USB**  
UNIVERSAL SERIAL BUS

**IC**  
Intelligent Charging  
Identifies your device and suits the most appropriate charging voltage.

  
Short Circuit Prevention

  
Surge Protection

  
Current Stabilizer

  
Temperature Protection

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 2.1A  
Available Colors: White | Black  
Model Number: SP 21A

Charge 1 Devices in the Same Time 50% Faster

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Single USB Charger

Smartphones, Music Players Tablet and other 5V devices

## SP 24A

FASTER CHARGING

**1x USB**  
UNIVERSAL SERIAL BUS

**IC** Intelligent Charging  
Identifies your device and suits the most appropriate charging voltage.

  
Short Circuit Prevention

  
Surge Protection

  
Current Stabilizer

  
Temperature Protection

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 2.4A  
Available Colors: White  
Model Number: SP 24A

Charge 1 Devices in the Same Time 50% Faster

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Dual USB Charger

Smartphones, Music Players Tablet and other 5V devices

SP 24B

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 2.4A  
Available Colors: White  
Model Number: SP 24B

Charge 2 Devices in the Same Time 50% Faster

FASTER CHARGING

2x **USB**  
UNIVERSAL SERIAL BUS

IC

**Intelligent Charging**  
Identifies your device and suits the most appropriate charging voltage.

Short Circuit Prevention

Surge Protection

Current Stabilizer

Temperature Protection

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Single USB Charger

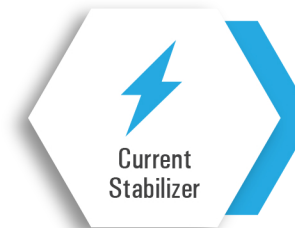

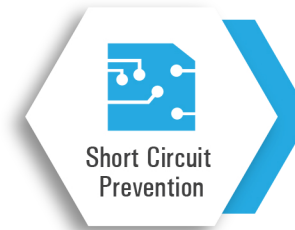

Smartphones, Music Players Tablet and other 5V devices

SP 31A

FASTER CHARGING

1x **USB**  
UNIVERSAL SERIAL BUS

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.1A  
Available Colors: White  
Model Number: SP 31A

Charge 1 Devices in the Same Time 50% Faster

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Single USB Charger

Smartphones, Music Players Tablet and other 5V devices

## SP 31AP

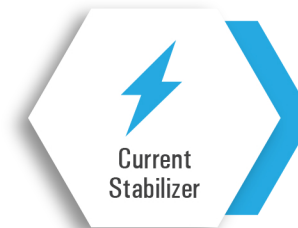

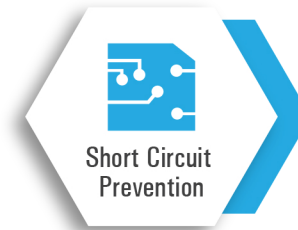

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.1A  
Available Colors: White  
Model Number: SP 31AP

Charge 1 Devices in the Same Time 50% Faster

FASTER CHARGING

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Dual USB Charger

Smartphones, Music Players Tablet and other 5V devices

SP 31AP-B

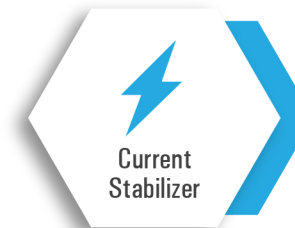

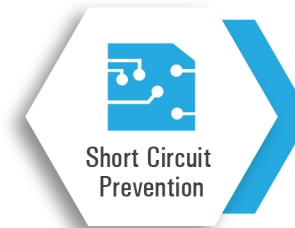

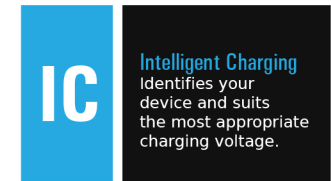

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.1A & 2.4A  
Available Colors: White  
Model Number: SP 31AP-B

Charge 2 Devices in the Same Time 50% Faster

FASTER CHARGING

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Triple USB Charger

Smartphones, Music Players Tablet and other 5V devices

## SP 31AP-C

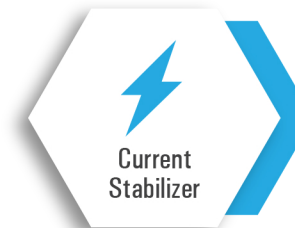

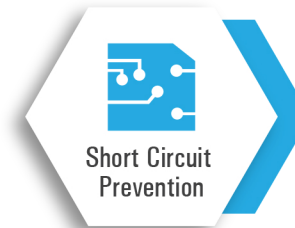

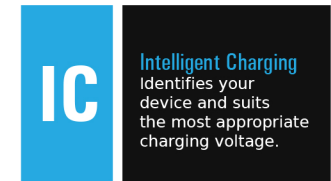

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.1A, 2.4A & 1.5A  
Available Colors: White  
Model Number: SP 31AP-C

Charge 3 Devices in the Same Time 50% Faster

FASTER CHARGING

Product images are for illustration purpose only. Actual Product may vary depending on Version.

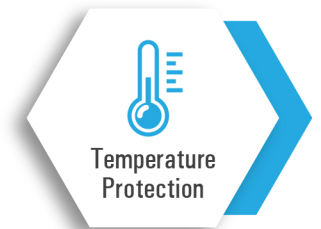

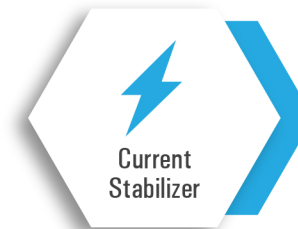

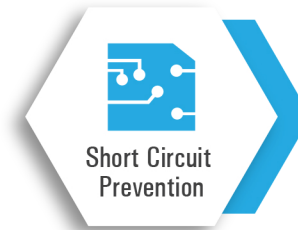

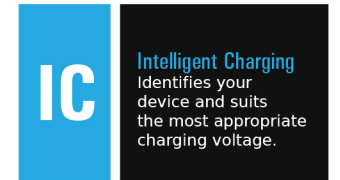

# MAX Single USB Charger

Smartphones, Music Players Tablet and other 5V devices

SP 31AP QC

FASTER CHARGING

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.1A 18 Watt  
Available Colors: White  
Model Number: SP 31AP QC

Charge 1 Devices in the Same Time 50% Faster

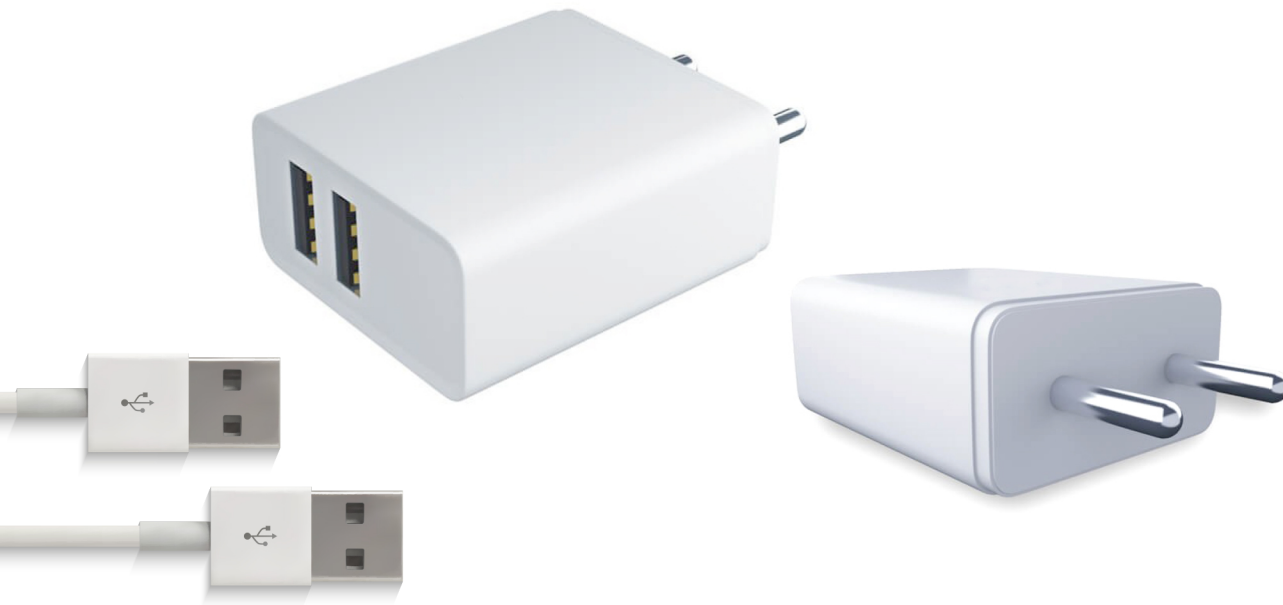

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Dual USB Charger

Smartphones, Music Players Tablet and other 5V devices

## SP 31B

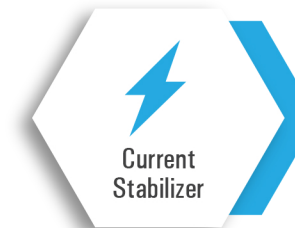

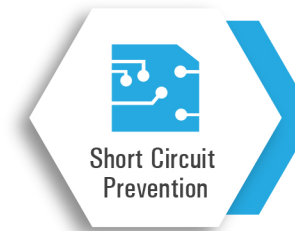

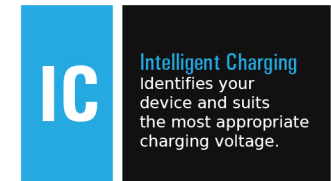

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.1A & 2.1A  
Available Colors: White  
Model Number: SP 31B

Charge 2 Devices in the Same Time 50% Faster

FASTER CHARGING

**2x USB**  
UNIVERSAL SERIAL BUS

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Triple USB Charger

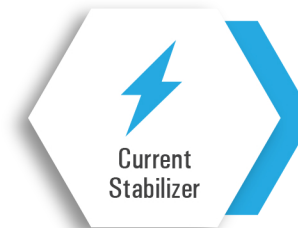

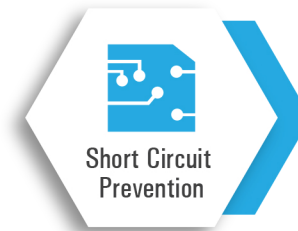

Smartphones, Music Players Tablet and other 5V devices

SP 31C

FASTER CHARGING

**3x USB**  
UNIVERSAL SERIAL BUS

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.1A, 2.1A & 1.5A  
Available Colors: White  
Model Number: SP 31C

Charge 3 Devices in the Same Time 50% Faster

Product images are for illustration purpose only. Actual Product may vary depending on Version.

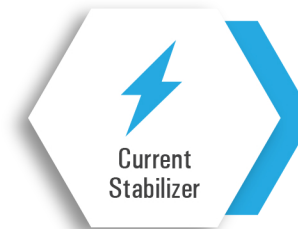

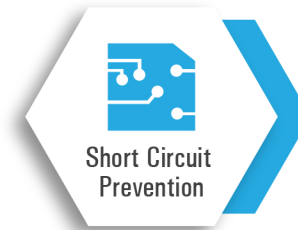

# MAX Single USB Charger

Smartphones, Music Players Tablet and other 5V devices

## SP 31QC

FASTER CHARGING

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.1A  
Available Colors: White  
Model Number: SP 31QC

Charge 1 Devices in the Same Time 50% Faster

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Single USB Charger

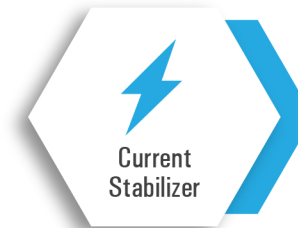

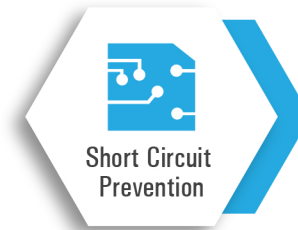

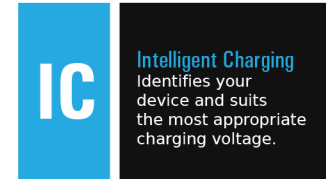

Smartphones, Music Players Tablet and other 5V devices

## SP 34A

FASTER CHARGING

**1x USB**  
UNIVERSAL SERIAL BUS

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.4A  
Available Colors: White  
Model Number: SP 34A

Charge 1 Devices in the Same Time 50% Faster

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Single USB Charger

Smartphones, Music Players Tablet and other 5V devices

## SP 34AP

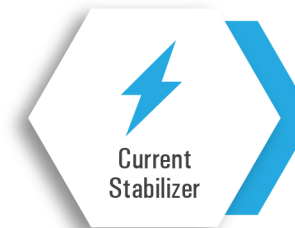

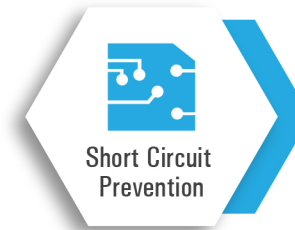

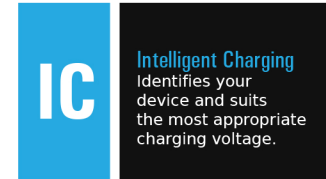

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.4A  
Available Colors: White  
Model Number: SP 34P

Charge 1 Devices in the Same Time 50% Faster

FASTER CHARGING

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Dual USB Charger

Smartphones, Music Players Tablet and other 5V devices

SP 34AP-B

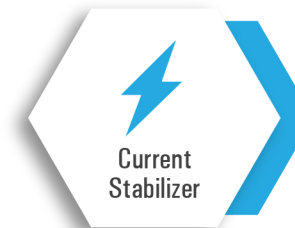

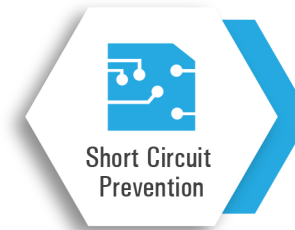

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.4A & 3.1A  
Available Colors: White  
Model Number: SP 34AP-B

Charge 2 Devices in the Same Time 50% Faster

FASTER CHARGING

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Triple USB Charger

Smartphones, Music Players Tablet and other 5V devices

SP 34AP-C

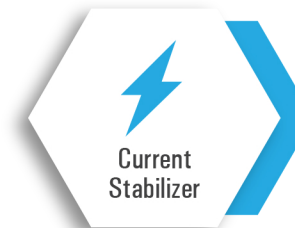

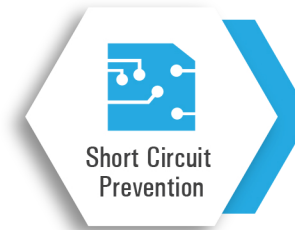

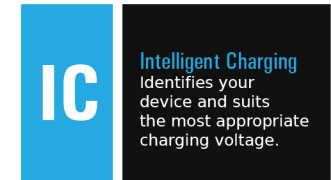

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.4A, 3.1A & 2.4A  
Available Colors: White  
Model Number: SP 31AP-C

Charge 3 Devices in the Same Time 50% Faster

FASTER CHARGING

Product images are for illustration purpose only. Actual Product may vary depending on Version.

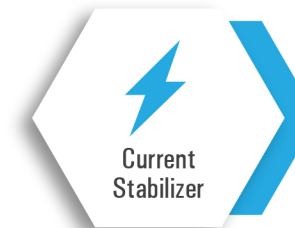

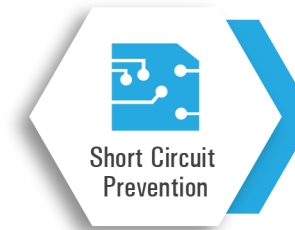

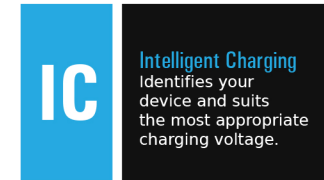

# MAX Dual USB Charger

Smartphones, Music Players Tablet and other 5V devices  
SP 34B

FASTER CHARGING

**2x USB**  
UNIVERSAL SERIAL BUS

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.4A & 3.1A  
Available Colors: White  
Model Number: SP 34B

Charge 2 Devices in the Same Time 50% Faster

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# MAX Triple USB Charger

Smartphones, Music Players Tablet and other 5V devices

## SP 34C

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 3.4A, 3.1A & 2.1A  
Available Colors: White  
Model Number: SP 34C

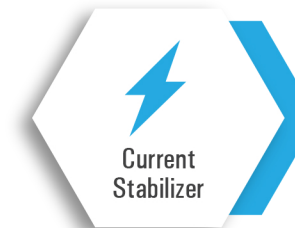

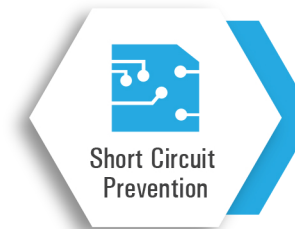

Charge 3 Devices in the Same Time 50% Faster

FASTER CHARGING

### 3x USB

UNIVERSAL SERIAL BUS

Product images are for illustration purpose only. Actual Product may vary depending on Version.

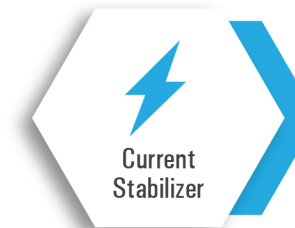

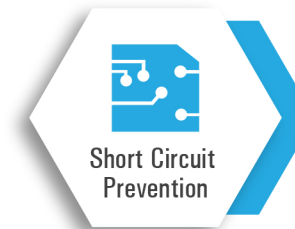

# MAX USB Plug Switch Socket

Smartphones, Music Players Tablet and other 5V devices

FASTER CHARGING

1x **USB**  
UNIVERSAL SERIAL BUS

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 1000 mA  
Available Colors: White

Charge 1 Devices in the Same Time 50% Faster

Product images are for illustration purpose only. Actual Product may vary depending on Version.

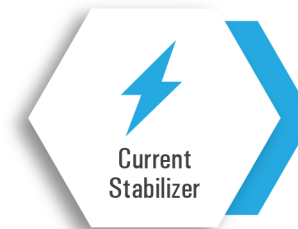

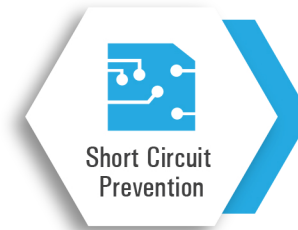

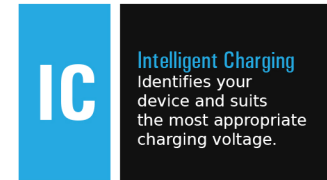

# MAX USB Socket Outlet

Smartphones, Music Players Tablet and other 5V devices

FASTER CHARGING

1x **USB**  
UNIVERSAL SERIAL BUS

Input: AC 100-240V 50-60 Hz  
Output: DC 5V | 1000 mA  
Available Colors: White

Charge 1 Devices in the Same Time 50% Faster

Product images are for illustration purpose only. Actual Product may vary depending on Version.

# ULTIMATE POWER ULTIMATE EXPERIENCE

Output 1

Output 2

**IC** Intelligent Charging  
Identifies your device and suits the most appropriate charging voltage.

Product images are for illustration purpose only.  
Actual Product may vary depending on Version.

# MAX Universal Compatibility

## With a USB-C to Lightning Cable

iPhone XS/XS Max  
iPhone XR

iPhone X

iPhone 8  
iPhone 8 Plus

iPhone 7/7 Plus

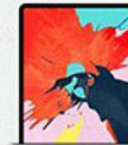

iPad 10.5"/12.9"  
Gen 1/12.9" Gen 2

## With a USB-C to USB-C Cable

12" MacBook/Pro

iPad Pro 11"  
/12.9" Gen 3

S10+/9+/8+  
S10/9/8

Pixel 3XL/3

Nexus 6P

# UPCOMING PRODUCT
